**Third Year Advising Notes:** Study abroad is possible within this plan, and most students go for a semester during their third year. Talk to your advisor about how to adjust your plan for study abroad. If you are planning to complete a certificate, you should start taking certificate classes in your third year.

**Goals:** Research specific career options. Attend the Leeds and campus career fairs as well as networking events and employer information meetings. Pursue a leadership position within a student organization or volunteer group. Get to know your professors, especially in your area of emphasis. Participate in a Career Trek to network and learn more about industries and companies.

**After your third year:** Work with the Career Development office to pursue a relevant internship. Take the GMAT if you are thinking about graduate school.

**Fourth Year Advising Notes:** Apply for graduation online through MyCUInfo by September of senior year. Meet with your academic advisor for your required senior checkout appointment.

**Goals:** Work with Career Development to perfect your resume and cover letter, and start getting your applications out. Attend networking events, career fairs and employer information meetings. Talk to everyone you meet about your career goals and ambitions--you never know where a great opportunity might come from. Read professional journals and consider a student membership in a professional

## Arts & Sciences Core

Business students are required to complete general education requirements that are part of the Arts & Sciences Core Curriculum. These classes can be taken in any order as long as prerequisites are met. Most A&S Core classes will not specifically relate to your major, but will help develop essential career skills: high-level critical thinking, writing, and global perspectives. Students will choose classes from the following categories:

Historical Context-3 credits

Human Diversity-3 credits

Ideals & Values-3 credits

US Context-3 credits

Natural Science-6 credits

Literature & Arts (lower division)-3 credits

Literature & Arts (upper division)-3 credits

Written Communication (lower division)-3 credits

For a full listing of classes that fulfill these core categories, check your degree audit, or look online:

## Non-Business Electives

Leeds students are required to take 17 credits of non-business electives. If you have any MAPS deficiencies, the required MAPS classes typically count as non-business electives. Electives that business students will find helpful for their future career include classes in economics, technology, programming, math, communication and writing. Classes that involve numerical and statistical analysis will be especially helpful for business decision making. Although you can choose to take any non-business electives that interest you as long as you meet the prerequisites, we strongly encourage you to use your electives in a purposeful way that will help you to customize your program.

### Consider these options (some classes have prerequisites):

COMM 2500: Interpersonal Communication

ECON 3070: Intermediate Microeconomic Theory

ECON 3080: Intermediate Macroeconomic Theory

CSCI 1300: Computer Science I

ATLS 2000: The Meaning of Information Technology

MATH 1300: Analytic Geometry & Calculus 1

MATH 2300: Analytic Geometry & Calculus 2

MATH 2400: Analytic Geometry & Calculus 3

PSYC 1001: Intro to Psychology

PSYC 2606: Social Psychology

SOCY 1001: Intro to Sociology

You can use Non-Business electives to complete a minor or certificate outside of Leeds such as:

Technology, Arts & Media

Computer Science

Economics

Math

## Business Electives

Leeds students are required to take 16 credits of Business Electives. Any class taught in the Business School that is not required for BCOR or your area of emphasis can count. Consider a certificate or dual area of emphasis that will help you prepare for a career in your chosen industry.

### Consider these options (some classes have prerequisites):

ESBM 3700: Entrepreneurial Environments

MGMT 3200: Business Intelligence

MGMT 4210: Systems Thinking

BADM 1260: First-Year Global Experience (2 cr)

BADM 2010: Excel Lab (1 credit)
