SOCY 1001: Intro to Sociology

You can use Non-Business electives to complete a minor or certificate outside of Leeds such as:

Technology, Arts & Media

Computer Science

Economics

Math

Business Electives

Leeds students are required to take 16 credits of Business Electives. Any class taught in the Business School that is not required for BCOR or your area of emphasis can count. Business Electives are typically taken during the third and fourth years, when students have declared an area of emphasis. Each area of emphasis will have recommended electives.

Classes required for the Leeds certificate programs can count toward Business Electives, and some certificates require non-

Business of Sports

Entrepreneurship & Small Business Management

Global Business

Operations & Information Management (OPIM)

Quantitative Finance

Real Estate

Socially Responsible Enterprise (CESR)
