**Office Hours** Friday 11:30-

or for the entire course. I will report all instances to the honor code, which will mete out their own punishment, in addition to the one I deem fit. **DON'T CHEAT!** It darkens the reputation of you and your school, and makes me sad.

We will use clickers in this class. Your class participation grade will come from clicker participation. Each clicker question will be worth 2 points. You will earn 1 point for answering the question and 1 point answering the question correctly. You are encouraged to discuss the questions with your neighbors to come to an answer. I will not begin clickers until Friday (August 30). You will need to have your clicker and book by that date.

## **Quizzes**

but note that doing the homework will most definitely improve your quiz grade and your overall grade. We will also use the MYECONLAB included with your text. I will suggest problems, but not count things toward your grade. It will be used mainly as a study tool and way for you to get immediate feedback at your convenience.
