

Homework (D2L):

Homework will be done on D2L. It will be due every Friday at 1:00 PM. Working with others is allowed, but groups must be no larger than 3. No late work will be accepted. The lowest homework score will be dropped. There is no makeup policy.

Recitation:

Recitation grades will be based on attendance. No credit for the day unless there was prior attendance. Arriving between 5 and 10 minutes late will result in partial credit, and arriving after 10 minutes late will result in no credit for the day.

Clickers

Clicker grades will be a combination of attendance and correctness. To receive the attendance clicker points, students must click in for every question. Clicker grades will be posted.

There will be no make-up work unless students have a verified medical condition. In an emergency that prevents class attendance, students are required to provide proof that their absence has met these criteria. A student who has merely attended a medical facility will be insufficient.

If you qualify for a verified medical condition, please submit to the letter from Disability Services in a timely manner so that your needs be

preference early in the semester so that I may make appropriate changes to my records. See policies at <http://www.colorado.edu/policies/classbehavior.html> and at http://www.colorado.edu/studentaffairs/judicialaffairs/code.html#student_cod
