While email is the best way to contact me, be aware that I check my email and respond (if time) exactly twice every weekday. Once in the morning (typically between 9 and 10am, sometimes earlier). There is usually not enough time to respond to all emails during that time, but I will respond in the afternoon. I typically do not check emails at other times or over the weekend, but there are some exceptions such as exam times. We can set up times to Zoom over the weekend if you give me plenty (2 weeks) of advance notice.
