COURSE DESCRIPTION

This course studies the behavior of individual economic agents and their market interactions. The course is roughly composed of four parts. Part 1 introduces the basics of

REQUIRED TEXTBOOK

Microeconomics, by Besanko and Braeutigam, 4th Edition, Wiley (The 3rd edition also works) is a highly recommended learning strategy to read relevant chapters in the textbook before each lecture. I will distribute incomplete lecture notes before each class and you have to fill them out during classes.

EXAMS (55%)

There will be 2 exams in total: a midterm and a cumulative final exam, in the format of short answer questions. Both exams are held in the regular classroom and the dates are listed below. The midterm counts for 25% of your final grade, and the final counts for 30%. *Exam Will Be Dropped!! And There Will Be Absolutely No MakeUp Exam If You Missed One!!* You can use a simple calculator for these exams. Graphing calculators and cell phones are NOT allowed under any circumstances.

QUIZZES & IN -CLASS ASSIGNMENTS (25%)

There will be 3 quizzes and 2 in-class assignments, each of which counts for 5% towards your final grade. While the quizzes are all closed book, for in-class assignments you are able to use your lecture notes, textbook, and your classmates.

Although I will not check you

GRADING

Your grade will be determined as follows:
