# ECON 4070001 TOPICS IN MICROECONOMICS

Instructor:Professor Scott Savage

Office: ECON 21 (north-west corner of ground floorin economics building)

Intermediate Microeconomics: A Modern Approably Hal Varian, W.WNorton and Company (any latter edition).

## Class requirements

The class meets onday, Wednesdayand Friday from 1 to 1.50 pm. The critical thinking required for successful completion of this course may not come naturally for many students In-class exposure to model building oup exercises applied problems and solutions via class attendance the best wato become proficient in the application of microeconomic theory and the way economists think and solve problems.

Craig and Savage (2014)show that a ten percent increase in attendance is associated with a one percentage point improvement in final examprector undergraduate industrial organization students, which could mean the difference between a grade DfOBG & 6 H H <sup>3</sup>, Q V W U X F W R U S D Q G 6 W X G H Q W 3 H U I R U P D Q F H (Y L G H Q F H I U R P D Q 8 Q G H U J U D G X International Review for Economics Education 2014, 17, 5565.

Feel free to form study groups to review and discuss lecture/reading material, homework assignments etc., but you must submit individual work for gradiote (if you work with a study group or individual class tea on assignments, please list the names of these persons on the front page of your submitted assignment).

#### Students should:

- (a) attend hree50 minutelecturesper week;
- (b) review and augment notes aftbelectures;
- (c) complete (a minimum offive out of six) homework assignments;
- (d) completetwo quizzes
- (e) completeone
