STATA will provide the convenience of working on class material outside of university computer labs. If you chose to purchase your own copy of STATA, you qualify for a substantial discount through the University's GradPlan. Information is available at: <http://www.stata.com/order/new/edu/gradplans/campus.html>. Please note that Small Stata is insufficient for this course

How Can I Do Better?

Every semester, I have some students who show up in office hours to discuss the fact that they are dissatisfied with their performance in the class so far and ask advice about how to improve. My answer is always the same. So I am putting that advice here so that everyone has it from the first day of class!

Course Schedule

Week 1 (Aug 24-28): Introduction and Getting Started in STATA

Week 2 (Aug 30-Sept 4): Summarizing Continuous Data

Week 3 (Sept 7-11): Categorical Data
