Access via

exams will be multiple choice, calculations, and short answer questions and will be closed book.

- Midterm exam will cover chapters we discuss in Modules 1-6
- Final exam covers chapters from modules 8-13.

SCHEDULED TIMES FOR EXAMS: **Midterm: Thursday June 24 - Sunday June 27**
 Final: Wednesday July 21– Saturday, July 24

PROCTORING- This course requires proctored examinations. CU-Boulder recommends **Proctorio**. To use this service, you must have access to a computer with a webcam and microphone to ensure academic integrity. There is no cost for using this service. The course on Canvas will have detailed information about proctoring.

Please review [Proctorio Minimum System Requirements](#) to ensure you have the correct hardware and software to use this tool. You can also take your exam at an accredited college or university testing center in your town or nearby if they are open. There may be a cost for using this testing center, if not at CU. If you are in a rural area or on a military base, you may need to be approved to use a person as a proctor and information is provided on Canvas for this approval process.

EXTRA CREDIT

There are several ways to earn extra credit in this course. These extra credit opportunities are discussed in the orientation video (I'm providing you with incentives to watch that video).

SOME TIPS FOR SUCCEEDING IN THIS CLASS:

□

are NO EXTENSIONS but most work for the module can be turned in up to three days late. The grade penalty for this late work is a reduction by 10% for each 24-hours the assignment is late.

Realize that I will drop 1 lowest lecture notes grade, 1 lowest assignment, 2 lowest Learn Smart assignment, and 1 lowest discussion. I believe it is a very generous policy for missed work and in return I ask you to respect it and not ask for the extension of the deadline unless you qualify for one of the exceptional situations listed below.

The exceptions I may consider are sickness, university excused function, military service, or circumstances beyond the students' control. I reserve the sole right to determine what grounds constitutes a reasonable excuse for missing or submitting a late work assignment.

Late assignments are not accepted for Exams.

CLASS BEHAVIOR

Both students and faculty are responsible for maintaining an appropriate learning environment in all instructional settings, whether in person, remote or online. Those who fail to adhere to such behavioral standards may be subject to discipline. Professional courtesy and sensitivity are especially important with respect to individuals and topics dealing with race, color, national origin, sex, pregnancy, age, disability, creed, religion, sexual orientation, gender identity, gender expression, veteran status, political affiliation, or political philosophy. For more information, see the policies on [classroom behavior](#) and the [Student Code of Conduct](#).

ACCOMMODATION FOR DISABILITIES

If you qualify for accommodations because of a disability, please submit your accommodation letter from Disability Services to your faculty member in a timely manner so that your needs can be addressed. Disability Services determines accommodations based on documented disabilities in the academic environment. Information on requesting accommodations is located on the Disability Services website [services websi 347](#).

without appropriate acknowledgment. Examples of plagiarism include failing to use quotation marks when directly quoting from a source; failing to document distinctive ideas from a source;
