Office hours:

Monday 10:00am - 11:00am

Prerequisites:

The goal of this class is to provide students with the mathematical tools needed for upper level courses in business and economics, and to cover key concepts, such as the system of equations, linear algebra, and differential equations."

Textbook:

(The text is, by the way, a Peter Hammond is required reading for the same reason; This is a very good reference book, which can be used to refresh your knowledge of algebra and calculus."

calculator .ot!:

As this is a course designed for each member

"B a'd 5C."

A 'y basic science' calculator - it is recommended that you use a scientific calculator or may be useful in doing some of the homework; problems, you cannot use a "rational" calculator on this!"

/ ra*in":
Drades - i

'onor o*!:

All students of the University of Colorado at Boulder are responsible for ;'o - i'1 a'd adheri'1 o he academic integrity of his institution. Licitious of his integrity may include: cheating, plagiarism, aid of academic dishonesty, fabrication, falsification, bribery, and unethical behavior. All incidents of academic misconduct shall be reported to the Honor Code Office (honor / colorado.edu/ #0#-!(5-(!#." @ students - how are you'd obey the academic integrity - it'll be subjected to both academic sanctions from the faculty member and 'o' academic sanctions) included but not limited to university robbery, suspension, or expulsion." 9 her i' +orma io' o' he Ho' or 8ode ca' be you'd a [hmk](http://colorado.edu/offices/honor/hmk)
