Office: Sewall Hall. 42A (303-492-3555)
Office Hours: MW 11:00-12:30 and by appointment

FYI: Sewall is a residence hall with offices for those of us who teach for the academic program there. Entry is by key card only – therefore you will need to come to the west side by the parking circle and call me on your cell phone to have me let you in. Alternatively, you may come up the main outside staircase (also on the west side by the parking circle) and use the call box or go in to the main office to the right and ask Martha Shernick to call for me to come up and meet you. Sewall has no elevator, so let me know if stairs are a problem and we can meet elsewhere if necessary.

Discrimination and Harassment Policies: Any student, staff, or faculty member who believes he or she has been the subject of discrimination or harassment based upon race, color, national origin, sex, age, disability, religion, sexual orientation or veteran status should contact the Office of Discrimination and Harassment (ODH) at 303-492-2127 (<http://www.colorado.edu/odh/>). The Office of Judicial Affairs can be reached at 303-492-5550.

Academic Integrity: All students of the University of Colorado at Boulder are responsible for knowing and adhering to the academic integrity policy of this institution. Violations of this policy may include: cheating, plagiarism, aiding academic dishonesty, fabrication, lying, bribery, and threatening behavior. In addition, obtaining material from “pre-written” sources available on the internet is ***definitely*** considered an academic offense! All incidents of academic misconduct shall be reported to the Honor Code Council and those students who are found to be in violation of the academic integrity policy will be subject to both academic sanctions from the faculty member involved and non-academic sanctions given by the Honor Code Council (including but not limited to university probation, suspension, or expulsion).

Please refer to www.colorado.edu/honorcode to view the specific guidelines. If you have any questions related to this policy, please contact the Honor Code Council at honor@colorado.edu.

For written work, keep the preparation materials, such as notes or outlines, and be prepared to discuss how you completed the work in case of any questions that arise. In cases of cheating or plagiarism, the academic penalty in this class will be failing the course.

Students should note that their work may, at the discretion of the instructor, be evaluated through TurnItIn.com, a plagiarism service provided to all faculty at CU-Boulder; and that this service retains a copy of the submitted work for future comparisons.

This course will be a combination of lecture material and in-class discussion. Students are expected

Also, please do not ask me about grades via e-mail. According to FERPA, professors may not discuss your grades with anyone but you (or your parents if you are a minor). Since e-mail is not deemed a secure form of communication (I can't be sure you are the only one that will have access to the information I send) I cannot discuss grades via e-mail. So please don't ask.

You will each be assigned to a group and will be responsible for a 20-minute presentation of a journal article from the reading list. This presentation will be followed by questions on your article from the class and from Prof. Jobin. Your group will also hand in a six page written assessment of the article. Further instructions for this and all other shorter written assignments will be given separately.

There will be two examinations. Both the midterm and the final will be take-home examinations. The midterm examination will be posted on the course site (CU Learn) on Friday July 17 and will be due Wednesday July 22. The final will be posted by Friday July 31 and due Friday August 7. Further instructions will be given when exam questions are posted.
