Rob

Monday 10:00am - 12:00pm

Tuesday 12:00pm - 1:00pm

Thursday 12:00pm - 1:00pm

My appointments

Debbie

M 12-12:30

Course Description and Objectives:

Provides an overview of the economy, examining the flows of resources and outputs and the factors determining the levels of income and prices. Explores policy problems of inflation, unemployment, and economic growth.

Recitation

Recitation is a required part of the course. Recitation meetings are held twice a week for the duration of the semester. Attendance in recitation is mandatory and will be a factor in your final grade. You will learn the material in recitation and your performance will count 25% of your grade!

Textbook:

Required Text: Mankiw, 4th Edition, Gregory M. (2007). Principles of Economics, 4th Edition. Thomson South-Western.

ISBN: 0-323-02656-0

Calculator Note:

You may not use a graphing calculator on an exam!

Grading:

Grades will be determined on the basis of your performance on 2 examinations and recitation. Your lowest exam grade will be dropped and the other three will count as 1/3 of your grade. The recitation grade is 40% of your overall grade!

The examinations will be administered on February 18, March 1, April 12 and May 7 in class! Each

Make-up Exams

There will be 3 B make-up home or assignments. Success or exams for his class if you miss more than one examination in a semester. The weight given your other exams will be increased accordingly!

Tentative Course Schedule:

211	@hap er 22	Shor-run Trade-off between inflation and employment	
2112	@hap er 18	Open-Economy Macroeconomics	Exam 0 (2112)
