Grading: Your course grade will be based on the three exams, and problem sets listed below. The breakdown of grades is as follows: 25% for each exam, and 25% for problem sets. There will be approximately 2-3 problem sets assigned per week. Please check the web site for updates. The final is **not** cumulative, but will simply be the test on the last third of material.

Examinations: The exams will take place during regular class time on the dates listed below. They will be a combination of multiple-choice questions and short-answer questions. You'll probably also want to bring a calculator (*no cell phone calculators capable of storing information i.e. graphing calculators*). Exams will be based on material covered in lecture and the problem sets. I'll talk more about exam date approaches.

Make-ups for any exam are allowed only under compelling circumstances.

later than 2 days past the exam date. Any make-up exam given after the exams have been returned will be an oral exam.

Important Dates:

Class Starts: Monday 6/1

Honor Code:

All students of the University of Colorado at Boulder are responsible for knowing and adhering to the academic integrity policy of this institution. Violations of this policy may include: cheating, plagiarism, aid of academic dishonesty, fabrication, lying, bribery, and threatening behavior. All incidents of academic misconduct shall be reported to the Honor Code Council (honor@colorado.edu; 303-725-2273). Students who are found to be in violation of the academic integrity policy will be subject to both academic sanctions from the faculty member and non academic sanctions (including but not limited to university probation, suspension, or expulsion). Other information on the Honor Code can be found at <http://www.colorado.edu/policies/honor.html> and at <http://www.colorado.edu/academics/honorcode/>

Expectations of Classroom Behavior:

Students and faculty each have responsibility for maintaining an appropriate learning environment. Students who fail to adhere to behavioral standards may be subject to discipline. Faculty members have the professional responsibility to treat students with understanding, dignity and respect, to guide classroom discussion and to set reasonable limits on the manner in which students express opinions.
