Religious Observance Policy

Campus policy regarding religious observances requires that faculty make every effort to reasonably and fairly deal with all students who, because of religious obligations, have conflicts with scheduled exams, assignments, or required attendance. If you have a conflict, please contact me at the beginning of the term so we can make proper arrangements.

Classroom Behavior Policy

Students and faculty each have responsibility for maintaining an appropriate learning environment. Students who fail to adhere to such basic standards may be subject to discipline. The professional responsibility of all students to treat understanding, dignity and respect, to guide classroom to set reasonable limits on the manner in which they and the students express opinions.

Professional courtesy and sensitivity are especially important with respect to individuals and topics dealing with differences of race, culture, religion, political, orientation, gender variance, and nationalities. Class rosters are provided with the student's legal name. I will gladly an alternate name or gender pronoun. Please advise me of this preference
