BLACK STUDENT ALLIANCE | UNIVERSITY OF COLORADO

The Black Student Alliance categorically condemns actions of the CU Boulder student who harassed our brother by sending him a homophobic message while he was studying in the Engineering Center. Further more her actions coupled with all the other incidents that have occurred on campus have created an environment where all students, regardless of their race, ethnicity, or sexual orientation, can learn and thrive.

ii. The University of Colorado Boulder: As such we issue the following demands:
i. Who engage in the racist behavior be expelled and sanctioned.

iii. The University of Colorado Boulder: As such we issue the following demands:
i. Who engage in the racist behavior be expelled and sanctioned.

iii. The University of Colorado Boulder: As such we issue the following demands:
i. Who engage in the racist behavior be expelled and sanctioned.

iv. The University of Colorado Boulder: As such we issue the following demands:
i. Who engage in the racist behavior be expelled and sanctioned.
